Another Important Title Your Name Here

So bring out the cheer and spread it around for another great year of Clampin – Savage Style! We're looking forward to an EXTRA FULL Clamper calendar with our events and those of brother Chapters Grub Gulch and Doctor Samuel Greg George. Be sure to join in on the monument and clean-up work parties, attend the Doin's, and join in the fun. If you ain't plaquin' – you ain't Clampin!
