

Blind Babies Foundation 4th Annual
"Walk In Their Shoes"
Sponsored by Jim Savage 1852

The Blind Babies Foundation would SATISFACTORILY appreciate see'n lots of RED SHIRTS at

Visalia's Blaine Park, Arbor #1 on November 6, 2010!

For more details go to ecv1852.com

All **E. Clampus Vitus Brothers** are encouraged to come be a true **poor blind candidate** and support the Blind Babies Foundation. If'n you can't make it to this very important event, sponsor me, Jim Savage Chapter 1852 **XNGH #46** Frank "MoJoe" Vallejos, for I will be a true **poor blind candidate** walkin blind folded two miles for the cause. You can **sponsor** me by goin to our website and downloading the form for sponsorship, then mail gold dust and form to Jim Savage Chapter 1852.

Your contribution will help the Blind Babies Foundation continue to provide critically needed early intervention and education services to families with children who are blind or visually impaired, absolutely free of charge.

Blind Babies Foundation prepares children for their transition into preschool and kindergarten, train daycare providers to offer appropriate developmental activities and mentor families as they become advocates for their children.

Kristie Spaite operates the Blind Babies Foundation out of Visalia for the whole Central Valley because Fresno has been without the support to keep the foundation alive for the last six years. I am trying to bring this very important foundation back to Fresno. I'm hopin that by getting a nonprofit organization to support the cause such as E. Clampus Vitus, would be a good start to help bring back a BBF office to Fresno.

Again, your contribution and support will help the foundation carry out this important work, and encourage the development of other faculties and skills. In advance, I thank you brothers & widders for your support!

Sincerely,
 Frank "MoJoe" Vallejos
