

## 4<sup>th</sup> Annual “Walk in Their Shoes”

Please think about joining Blind Babies Foundation for the 4th

### Annual “Walk in Their Shoes”!

On the morning of Saturday Nov. 6<sup>th</sup>, 2010, participants will gather at Blaine Park in Visalia to participate in a 2 mile walk. The only catch is—on this walk, participants will be blindfolded or wearing glasses that simulate a visual impairment. That is how we came up with the name “Walk in Their Shoes”

This is an opportunity for you to experience a small part of your day as a visually impaired individual. At the same time you will have the chance to help raise funds for the Blind Babies Foundation.

Each participant is asked to obtain sponsorships.

We should encourage you to ask your family, friends & neighbors if they would be willing to sponsor you in this unique event.

Next, make sure and get their name, address and zip code with the amount they are willing to sponsor you for.

You can turn in your sponsorship form with the donations on Saturday the 6<sup>th</sup>, the day of the event.

- When: Saturday November 6, 2010
- Time: 10-12p.m.—Rain or Shine
